**How To Suck In Subscribers And Explode Your Opt-In Lists Without Breaking The Bank!**

**Private Label Rights License Agreement**

**Dear valued subscriber,**

Congratulations for receiving this bonus as part of your investment in “Marketing Main Event”!

This is a great product with good information which I’m sure you’ll benefit from.

And with your private label rights, you can effectively change and edit the product in any way you want!

Before you start, please read the following:

### **Important Information**

**Please read these terms:**

- 1.** You must keep this **private label rights PDF license to verify yourself as an official holder of the license.** You must also be able to produce it on demand should the need arises.
- 2.** Please note that I **cannot** legally guarantee that you’ll make any money with the private label rights or from the product itself. Your income will depend solely upon your own efforts.
- 3.** If you’ve changed the product in any way, you **may not** put my name on the product or associate my name to it to help sell the product.
- 4.** **You** are responsible for providing your own hosting, download locations and customer service support to your own customers. I do not provide instructions for setting your site up and conversion to PDF.
- 5.** I do not supply a copy of Adobe PhotoShop for editing the graphics PSD files. However if you don’t have PhotoShop which costs hundreds of dollars, you can get **similar free graphics software** which do the same job at <http://www.freerifsoftware.com> and <http://www.gimp.org>.
- 6.** You **may** sell the private label rights opportunity to the product in itself as what I’ve done. You may also sell the source MS Word and graphics PSD files included in the package.
- 7.** You **may** do anything else you want with the private label rights. You can change it, edit it, extract the content, put your name on it etc.

For example you can turn the content into mini ebooks, articles, ecourses, lead generators, web content or into another new product.

**8. You MAY NOT market the product in any immoral or unethical manner, including UCE - unsolicited commercial email, also known as SPAM.**

**9. Any violation of this agreement will be subject to a revoking of your private label rights license in which case all monies paid will be forfeited.**

**This constitutes the entire Private Label Rights License Agreement. Any disputes or terms not discussed in this agreement are at the sole discretion of Ewen Chia.**

Thanks again!

Respectfully,

*Ewen Chia*
