JOURNALIST ALERTS

Connecting you directly with PRs

Whether you're writing a news story or researching a feature, Journalist Alert enables you to issue an email about your needs to PRs across the personal finance sector.

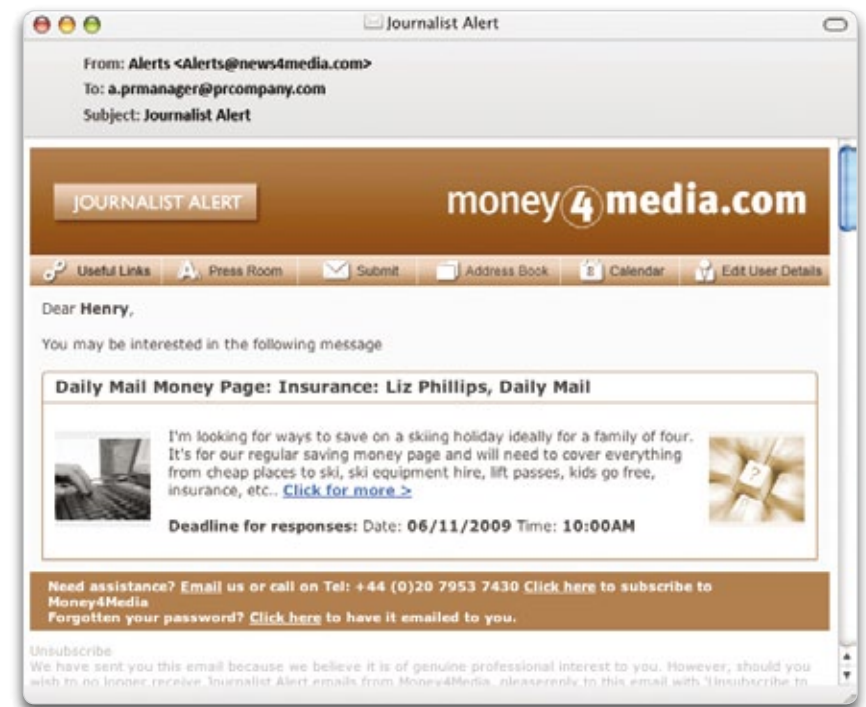

SENDING A JOURNALIST ALERT

You can access Journalist Alert either from the 'Journalist Alert' icon at the top of any Money4Media email, or from the 'Journalist Alert' option inside the website.

You can be as general or specific as you wish with your request, depending on the nature of the story.

We'll immediately issue your request for information to all our registered PRs. You just sit back and wait for the replies to come directly to you!

As a time-saving device to help you complete stories, and source information quickly and efficiently, Journalist Alert is unparalleled.

EDITOR'S ALERT

Connecting Editors and Freelance Journalists!

Editor's Alert allows editors to find freelancers to write stories. This free service enables editors to quickly source writers with the skills and background needed for the article. For freelancers, Editor's Alert creates an innovative new means of winning more work!

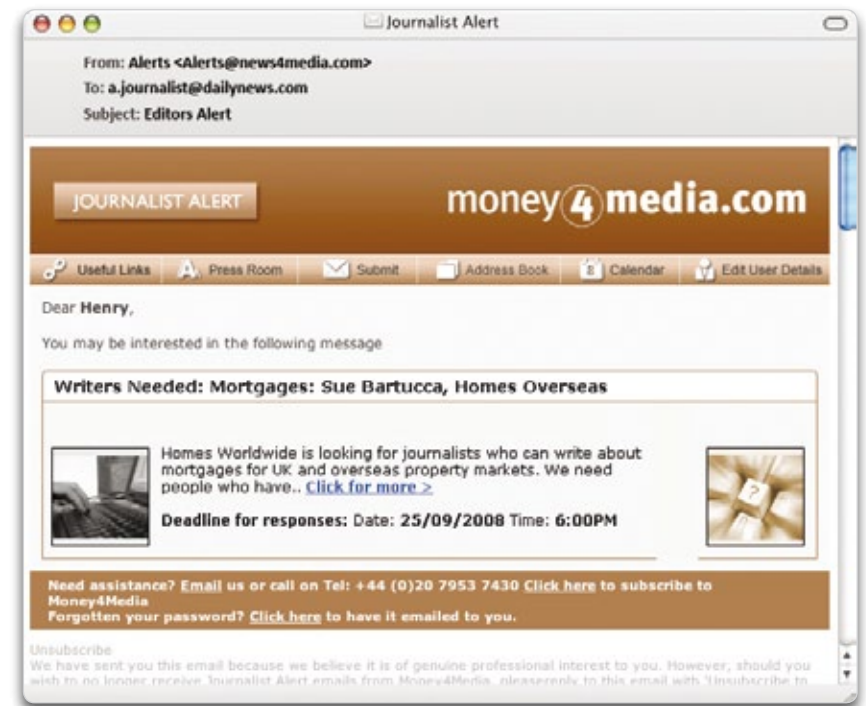

SENDING AN EDITOR'S ALERT

If you are an editor looking for the right freelance journalist for your story, simply click on the Journalist Alert button (the functionality governs the creation of Editor's Alerts) on your Money4Media news alert or inside the website (it's on the left-hand toolbar). Complete the online form with as much detail as you wish. Tick the box marked 'Freelancers' - this ensures your message will be issued as an Editor's Alert and will not be sent to in-house journalists or editors.

We'll immediately issue your request to all registered freelance journalists. You just sit back and wait for the replies to come directly into your inbox!

To receive Editor's Alerts you'll need to have completed a dedicated registration with Money4Media as a 'freelancer'. Simply register with the site, remembering to check the box marked 'Freelancer'.

If you are both an editor and a freelancer, it is acceptable to register as both - you will need to complete two separate registrations though.
