Quick Guide To SEO for Adsense & Affiliate Programs

Master Resale Rights Owner's Manual

This simple manual is written for those who bought the Master Resale Rights to “Quick Guide To SEO for Adsense and Affiliate Programs.” Before you start selling the ebook, please go through this manual to make sure that you do all the right things.

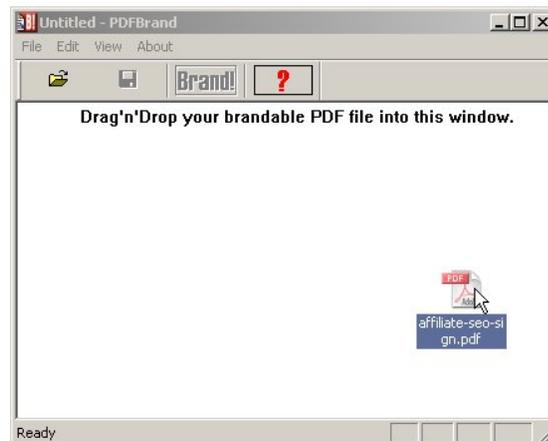

Step 1

Before you brand the PDF ebook with your affiliate links, name and website, be sure that you have all the affiliate IDs that you need. This ebook contains affiliate links. If you are not already an affiliate for the following programs, I recommend that you register yourself into them:

- SEO Elite (Clickbank)
<https://login.clickbank.net/signup/>
- XSitePro
<http://xsitepro.com/affiliate.html>
- Host Gator
<http://www.hostgator.com/affiliates.shtml>
- Aaron Wall's SEO Book
<http://www.seobook.com/rf/>
- James Martell's Affiliate Marketer's Handbook
<http://www.work-at-home-net-guides.com/make-money-online.html>

Step 2

Once you have all the affiliate IDs ready, it's now to rebrand the ebook. Launch PDFBrander.exe. If you get a warning message from Windows, just click “Run.” Now, drag and drop “adsensesegoide-sign.pdf” into PDFBrander.

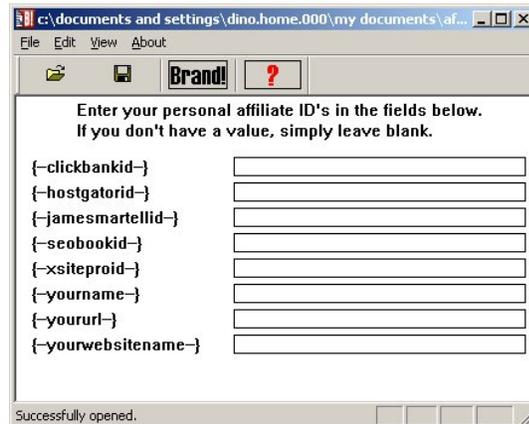

Step 3

After you drag and drop “adsenseseobook-sign.pdf” into PDFBrander, you will see fields appearing in PDFBrander. Just fill those fields with appropriate values.

You don't need to include “http://” for the field “yoururl”.

After that, just save it as “adsenseseobook.pdf”

The screenshot shows a window titled "Brand!" with a menu bar (File, Edit, View, About) and a toolbar with icons for file operations and a help icon. The main content area contains the following text and form fields:

Enter your personal affiliate ID's in the fields below.
If you don't have a value, simply leave blank.

{-clickbankid-}	<input type="text"/>
{-hostgatorid-}	<input type="text"/>
{-jamesmartellid-}	<input type="text"/>
{-seobookid-}	<input type="text"/>
{-xsiteproid-}	<input type="text"/>
{-yourname-}	<input type="text"/>
{-yoururl-}	<input type="text"/>
{-yourwebsitename-}	<input type="text"/>

At the bottom of the window, it says "Successfully opened." and there are some small icons on the right side of the status bar.

Step 4

Before you start selling, I want to make sure that you know what to give your customers when you sell them any of the packages.

When you sell a Master Resale Rights, you give them:
adsenseseoguide-MRR-kit.zip

When you sell the ebook, Quick Guide To SEO for AdSense & Affiliate Programs, you give them:
adsenseseoguide.pdf (that you branded)

Now, update your website with appropriate payment links and download page.

I am sorry, I can't help you with configuring your Paypal or 2Checkout or whatever you are using. There are just too many options to choose from. But I am sure that you'll find appropriate information from the payment processing solution that you choose.
